

RB 314 fibre

Aluminium oxide fibre discs

Product Benefits

- For grinding C-steels, non-ferrous metal alloys and aluminium

Applications

- Repair grinding of metal sheets
- Grinding welding seams
- Deburring
- Cleaning and rust removal
- Contour and flat grinding

Product Structure

Type	31444
Grain	Aluminium oxide
Bonding	Resin
Backing	Vulcan fibre
Coating	closed
Grit range	P 16, P 24, P 36 - P 120

Forms of Delivery

Fibre discs

Metal

Wood

Lacquer

Composite

Glass and Ceramics

Stone

- Very suitable
- Suitable
- Not suitable
